

Brochure

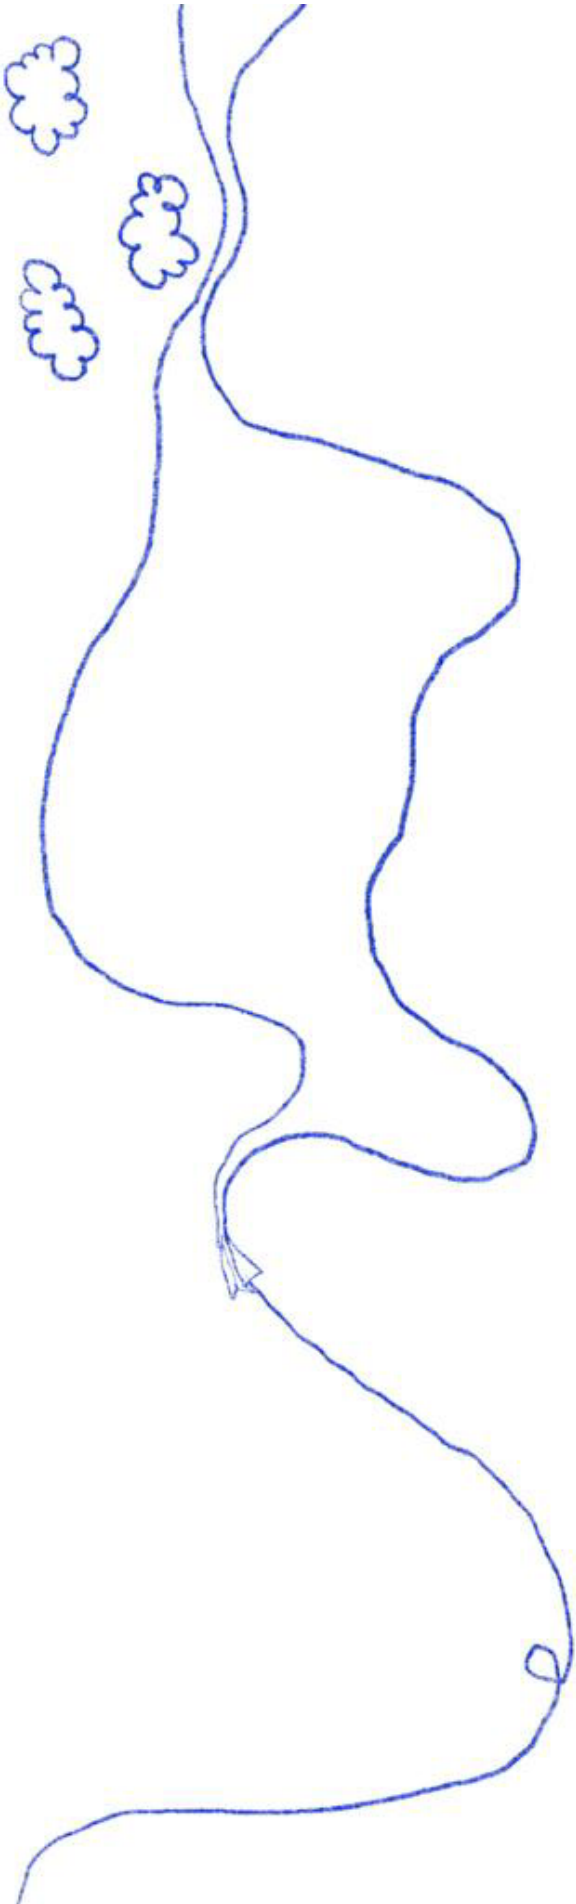

*Is the inside of your house the only place you should feel at home?*

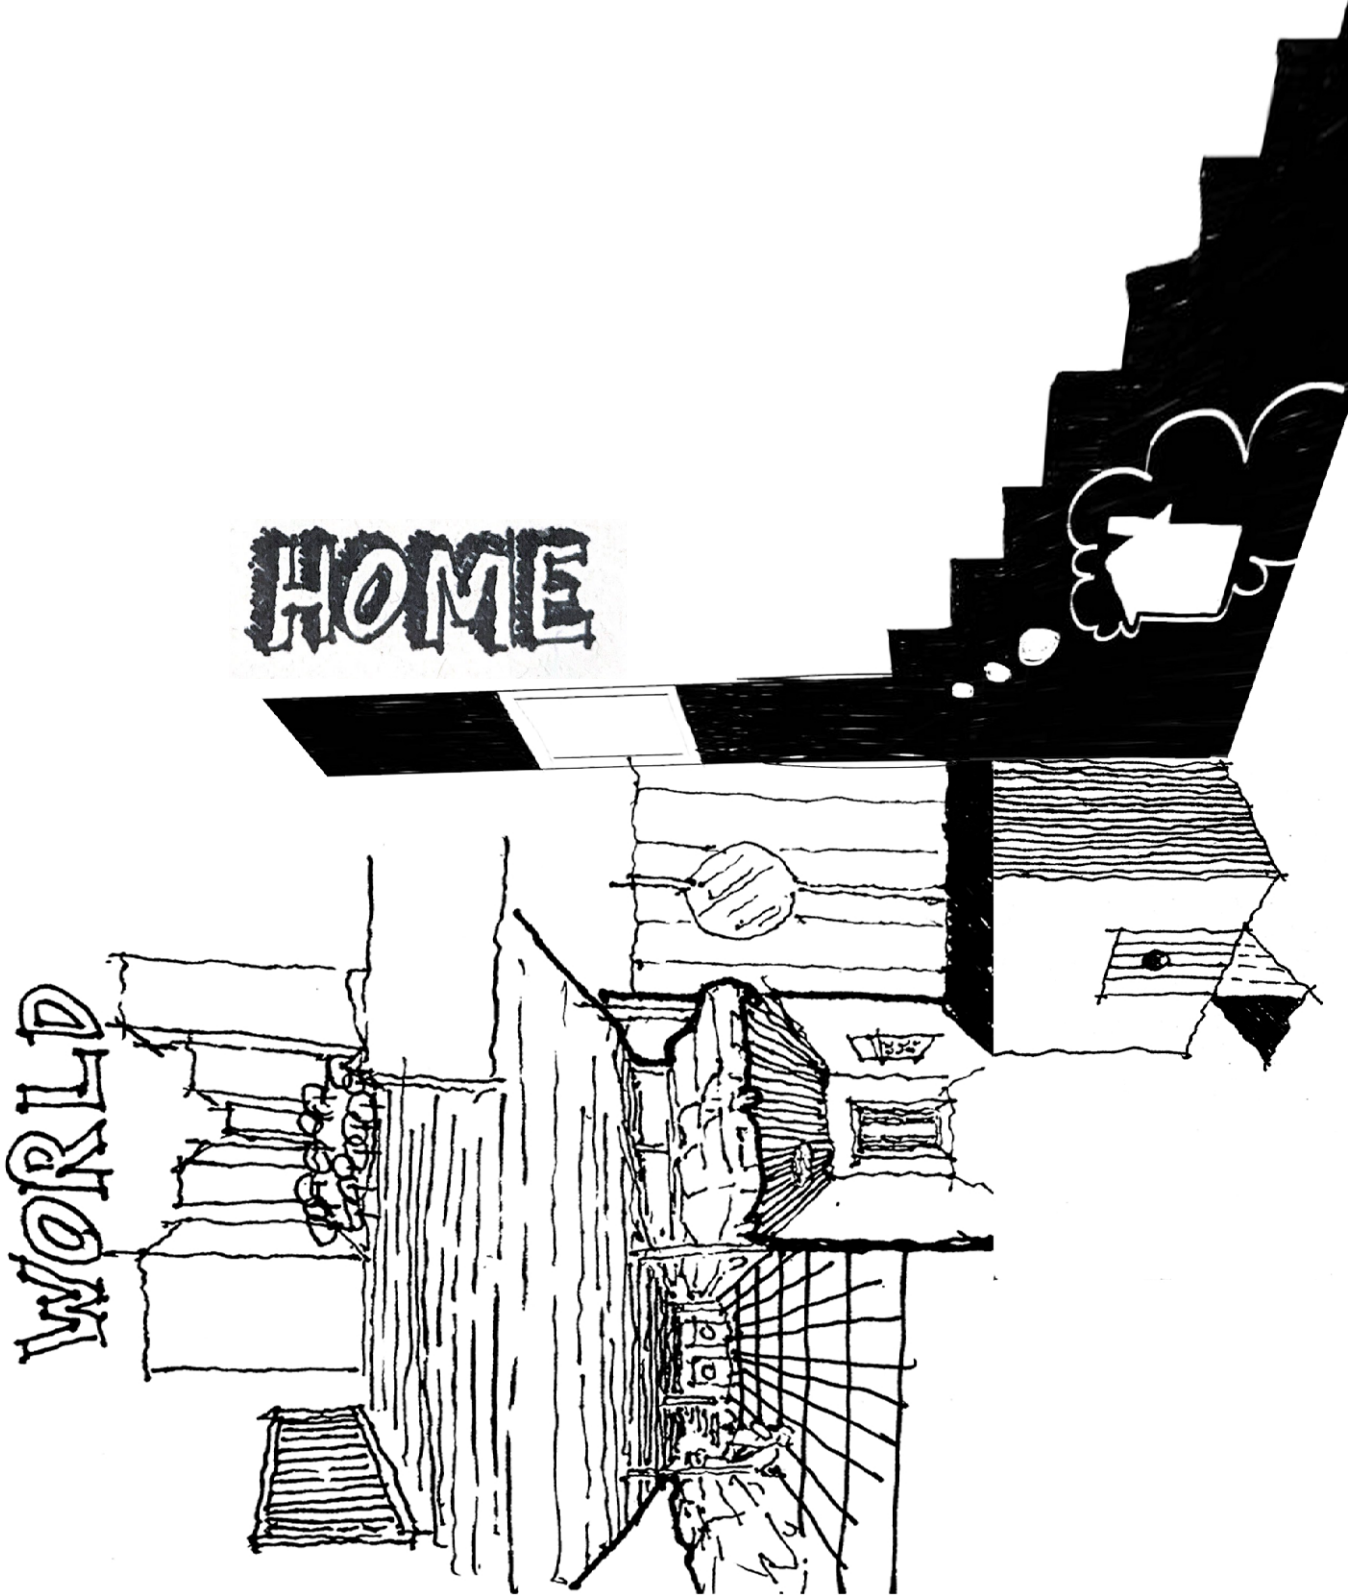

*Why do we  
increasingly face  
alienation towards  
our neighbors?*

# LIFT AS A BLACKHOLE SITUATION

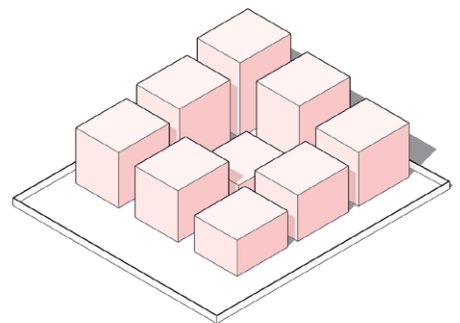

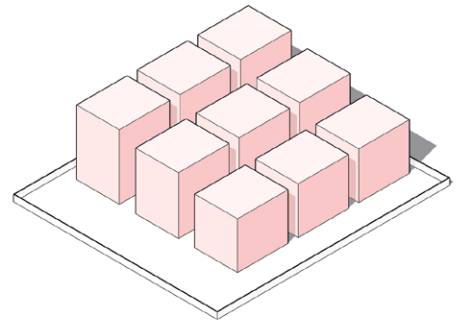

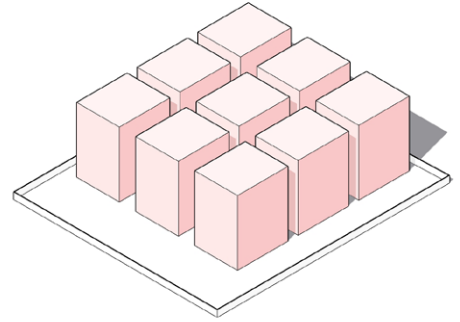

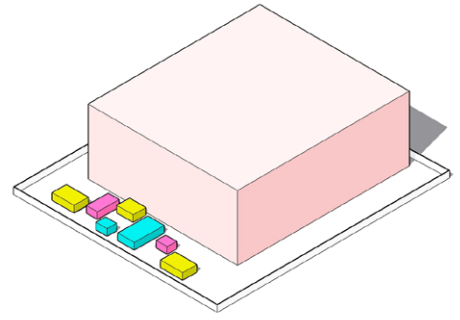

Come, live at The B  
boundaries between h  
blurr

*A smooth transition from  
your home to the outside  
world, where everyone feels  
safe and comfortable: even  
outside your house!*

*Isn't it a utopia we all wish  
to achieve?*

blackhole, where the  
home and the world are  
red...

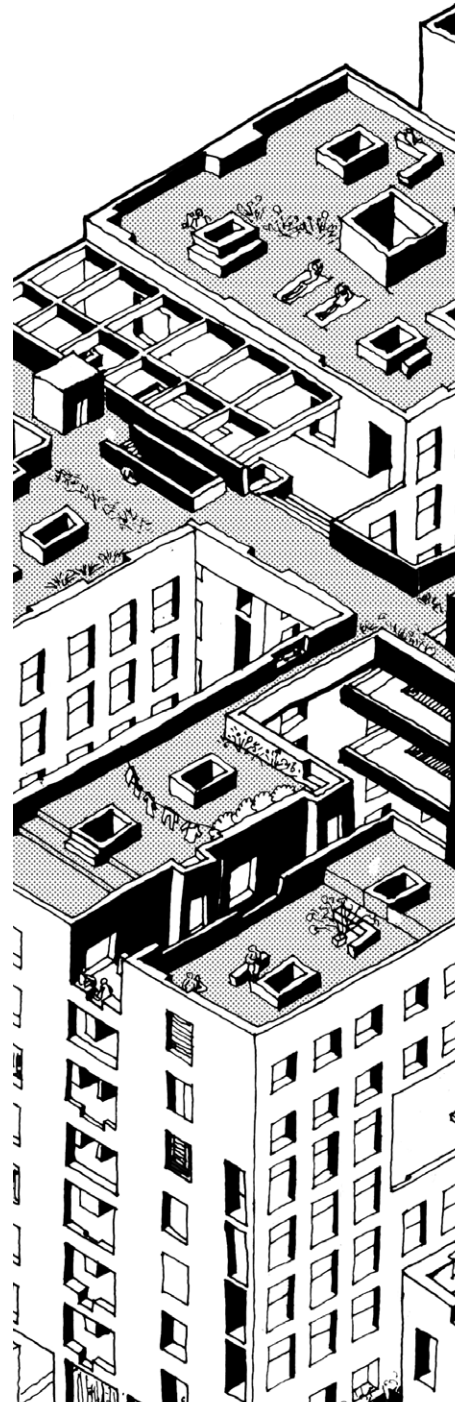

*Where every  
apartment feels  
like a bungalow*
